The CE850 adjustable stride Elliptical Trainer combines our robust and compact front-drive elliptical design with the ability to customize your ideal stride motion from 18 to 24 inches. Our narrow 2" pedal spacing (Q-Factor), large cushioned pedals, and ability to simulate a walk/jog/run through electronically adjustable stride adjustment combine to give you the ultimate cardio workout for your users.

CE850 ELLIPTICAL TRAINER

- Electronically adjustable stride length from 18 to 24 inches in ½ inch increments
- Multi-position hand grips with remote resistance and stride controls
- Dual track with shielded concave roller wheel system for superior stability and durability
- 2 degrees of inversion at each foot pedal places the user in an anatomically correct position
- 20 levels of resistance to satisfy the needs of beginners or advanced exercisers

CE850 ELLIPTICAL TRAINER

CE850 CONSOLE FEATURES

The electronics in the CE850 are designed to provide intuitive operation. The console features a large easy-to-read display with a variety of program options for users of all fitness levels, an integrated fan to keep clients cool, and a USB port to help keep their devices charged. The large multi-position handlebar design includes convenient stride and resistance controls for fast and easy workout changes.
