

2-Degree Inversion

Optional TV Bracket (TV not included)

Workout comfort and performance were top of mind when the CE900 Elliptical was developed. From stride length and hand grips to pedal placement and flywheel inertia, this elliptical combines fit and function in one robust machine. With an outstanding warranty, owners can feel secure they've made a solid investment in their users' experience and their bottom line.

CE900 ELLIPTICAL TRAINER

- 30 lbs. flywheel with a 12:1 pedal to flywheel ratio creates the perfect balance for smooth stride motion at any speed/resistance level
- Extra wide, 12 groove poly-v belt with roller bearing tensioner system to provide smooth feel and long product life
- 21" stride length with 2-degree pedal inversion to assure a comfortable motion
- Industrial grade 72mm roller bearings assure for long life and added reliability
- Generator system allows the unit to be placed in any location
