

THROWDOWN FXD BENCH

The FXD Bench is a multi-functional bench with integrated storage. The bench was designed for efficient use with a live or virtual on-screen instructor. It allows most exercises to be accomplished while facing the instructor. The layout of the bench and modular attachment points facilitate quick transitions between exercises.

MAINTAIN YOUR BASE

The FXD Bench features the ideal platform height (16.9" | 42.9cm) to maintain your base in the push and pull positions, while optimizing step-up and glute training.

STORAGE COMES STANDARD

The FXD Bench base is designed to minimize risk and maximize work. With additional storage that can stow anything from personal items to training accessories (image shown with set of 25lb dumbbells).
