

PERSONAL POWER PLATE®

Accelerates and maximizes results

PrecisionWave Technology™

Patented multidirectional vibration

Helps boost recovery time

A complete workout in only 15 minutes

Powerful Results, Compact Design.

The Personal Power Plate® is a multi-benefit exercise tool that helps you reach your goals, faster and more effectively. Delivering the gold standard in whole body vibration technology, the Personal Power Plate® has a set frequency of 35 Hz, a 30 or 60 second timer, and a remote control for easy operation. In fact, studies have shown Power Plate users lose twice as much fat over six months compared to those using simple fitness and diet alone*. It's compact and easy to store under a bed or in a closet, with various optional case choices for travel and quick, on-the-go workouts. Add the Personal Power Plate® to your routine and experience the world-renowned vibration technology that is now available in it's most compact size.

Accelerate your workout.
