BLUETOOTH 4.0 FTMS
Connects to 3rd Party Apps

CIC850 INDOOR CYCLE

The CIC850 is a high performance indoor cycle that is extremely versatile. Magnetic resistance, commercial grade Hutchinson poly-v belt, 4-way seat and handlebar adjustability, and heavy-duty three-piece crank provide a low-maintenance solution to your high-performance needs. The combination of a large LCD Bluetooth console and adjustable tablet holder allows users to use their phone or tablet to help train with 3rd party apps. Small dumbbells can be stored right under your seat for easy access during workouts and the dual water bottle holders keep hydration within reach.

Wireless LCD Console with Bluetooth FTMS

CIC850 INDOOR CYCLE

- Wireless LCD console with backlight and Bluetooth FTMS connectivity with 3rd party apps
- Magnetic resistance for smooth and consistent, maintenance-free operation
- Commercial grade Hutchinson poly-v belt is both smooth and reliable
- Adjustable steel tablet holder is PVC coated for durability
- Dumbbell holder keeps small dumbbells accessible during workouts
- Dual pedal design provides options for both SPD and toe-clip convenience
- Black anodized aluminum alloy seat and handlebar posts with high-visibility settings for quick reference

SPIRIT | 40 YEARS
