

CR800

SEMI-RECUMBENT BIKE

The CR800 Semi-Recumbent Bike is the perfect bike for the commercial environment. The step-through design and easy-adjust seat makes it easy for your clients to get on the bike and quickly find the most comfortable seat position. The intuitive console offers multiple program options and up to 40 levels of resistance to keep your clients interested and motivated. The extra smooth ride comes from the perfected gearing and the integrated generator/flywheel system.

FEATURES

- Contact, 5KHz, and Bluetooth heart rate capabilities for a more effective workout (chest strap sold separately)
- Generator-powered console means there is no need for outlets or power cords
- Oversized foot pedals with fast-latching system
- Contoured high-density foam seat for extra comfort during a long ride
- 40 levels of resistance to satisfy the needs of beginners or advanced exercisers
- Adjustable cooling fan and dual storage trays
